In addition she has received honorary

doctorates from Oberlin College, the College of Saint Mary, and Centre College. Ms. Graves's dedication to the singers of the next generation continues to be an important part of her career and recently she joined the voice faculty of the Peabody Conservatory of Music in Baltimore.

**44TH Annual SYMPOSIUM:
Care of the Professional Voice 2015
Philadelphia, Pennsylvania U.S.A.
Wednesday, June 3 - Sunday, June 7, 2015**

CALL FOR PAPERS AND POSTERS

Deadline: October 31, 2014

Abstracts must represent original work that has not been published elsewhere. Completed manuscripts must be submitted by the day of presentation at the Symposium and must be submitted for consideration for publication in *Journal of Voice*, unless prior arrangements have been made. There is also a New Investigators Research Forum for works in progress.

CALL FOR WORKSHOP PROPOSALS

Deadline: October 15, 2014

Voice professionals are invited to submit a proposal for a workshop to be considered for presentation at The Voice Foundation's 2014 Symposium. As you prepare your submission, please keep in mind that the focus of the workshop should be on the "live" demonstration of your techniques with singers, actors, patients, or audience members. The workshop duration is 55 minutes, and we request that you plan for the majority of the session to be spent in hands-on interaction with the participants.

Be advised that workshops should be designed to be presented without the use of audiovisual aids such as overhead projectors, slide projectors, or videotapes.

VAN L. LAWRENCE FELLOWSHIP

Deadline: November 15, 2014

The Fellowship is open to members of the **National Association of Teachers of Singing** who are actively engaged in teaching, have demonstrated excellence in their profession as singing teachers, and have shown interest in and knowledge of voice science.
