Milwaukee, WI**

FREE

The Greater Milwaukee Chapter of the Voice Foundation invites you to a free lecture and open forum on Vocal Wellness, featuring a talk by Froedtert Professional Voice Program speech pathologist Caroline Ziegler, CCC-SLP. Be sure to hang around afterwards for an open forum on vocal health including local vocology, speech pathology, and laryngology experts.

Directions: To get to the Clinical Cancer Center, enter the Froedtert/MCW complex by turning north on Wisconsin Avenue at 87th Street. Turn L onto Doyne Ave and the first stop sign. Drive past the parking structure on the right and take the first right at the next stop sign. The Clinical Cancer Center is immediately to your left. There is free parking immediately below the building. Take elevators to the third floor and follow directions to Conference Room M.
