Journal of Voice

Top 10 articles contributing to 2015 Impact Factor

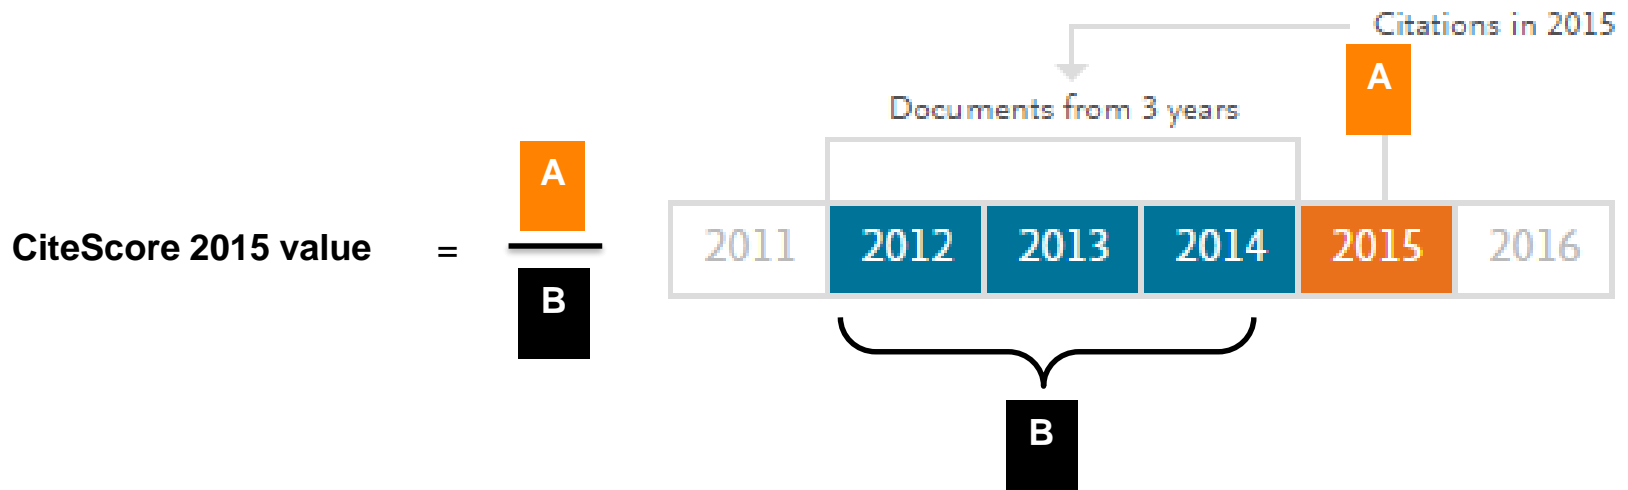

Cites in 2015	Article	Author(s)	Cover Year	Vol/Iss
10	Vocal tract and glottal function during and after vocal exercising with resonance tube and straw	Guzman M., Laukkanen A.-M., Krupa P., et al.	2013	27/4
8	Normative voice data for younger and older adults	Goy H., Fernandes D.N., Pichora-Fuller M.K., Van Lieshout P.	2013	27/5
7	Vocal indices of stress: A review	Giddens C.L., Barron K.W., Byrd-Craven J., et al.	2013	27/3
6	Physiologic and acoustic patterns of essential vocal tremor	Lester R.A., Barkmeier-Kraemer J., Story B.H.	2013	27/4
6	Cross-cultural adaptation and validation of the voice handicap index into Croatian	Bonetti A., Bonetti L.	2013	27/1
5	Toward validation of the cepstral spectral index of dysphonia (CSID) as an objective treatment outcomes measure	Peterson E.A., Roy N., Awan S.N., et al.	2013	27/4
5	The evaluation of singing voice accuracy: A comparison between subjective and objective methods	Larrouy-Maestri P., Leveque Y., Schon D., et al.	2013	27/2
5	Vocal tract discomfort in teachers: Its relationship to self-reported voice disorders	Rodrigues G., Zambon F., Mathieson L., Behlau M.	2013	27/4
5	Laryngeal and pharyngeal activity during semiocluded vocal tract postures in subjects diagnosed with hyperfunctional dysphonia	Guzman M., Castro C., Testart A., et al.	2013	27/6
5	Effects of tactile biofeedback by a portable voice accumulator on voice sound level in speakers with Parkinson's disease	Schalling E., Gustafsson J., Ternstrom S., Bulukin Wilen F., Sodersten M.	2013	27/6
5	Use of cepstral analyses for differentiating normal from dysphonic voices: A comparative study of connected speech versus sustained vowel in European Portuguese female speakers	Brinca L.F., Batista A.P.F., Tavares A.I., Goncalves I.C., Moreno M.L.	2014	28/3

Journal of Voice

Number of citations, 2010–2015

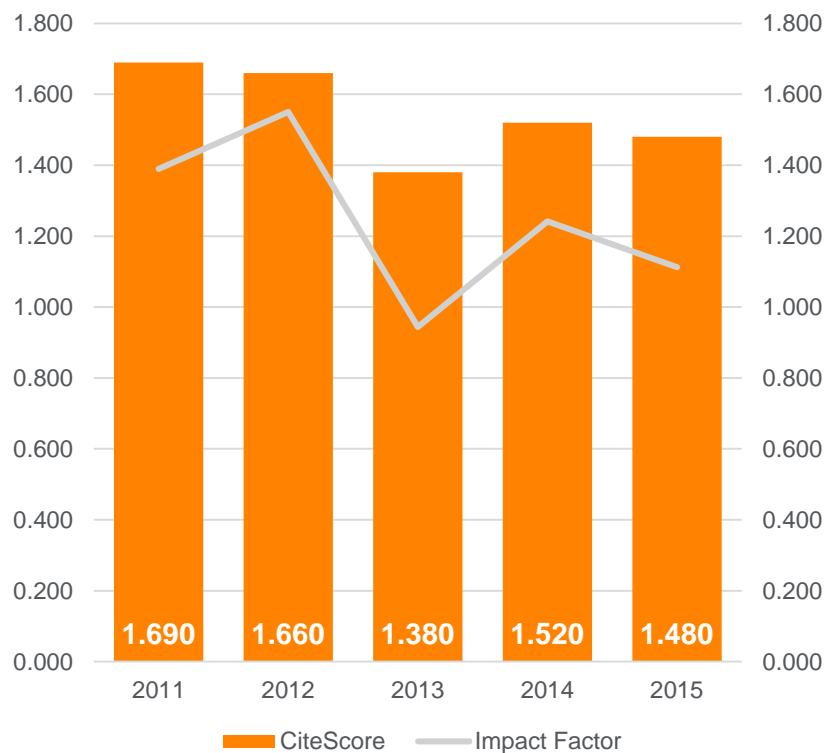

CiteScore is a simple metric for all Scopus journals

CiteScore	Impact Factor
A = citations to 3 years of documents	A = citations to 2 or 5 years of documents
B = all documents indexed in Scopus, same as A	B = only citable items (articles and reviews), different from A

Working Toward a Common Vocabulary: Reconciling the Terminology of Teachers of Singing, Voice Scientists, and Speech-Language Pathologists

About the *Journal of Voice*

The *Journal of Voice* is widely regarded as the world's premiere journal for voice medicine and research. This peer-reviewed publication is listed in Index Medicus and is indexed by the Institute for Scientific Information. The journal contains articles written by experts throughout the world on all topics in voice sciences, voice medicine and surgery, and speech-language pathologists' management of voice-related problems. The journal includes clinical articles, clinical research, and laboratory research.
