MAJESTA

Dear Colleagues,

We cordially invite you to our 15th Phonosurgery course (Webinar based International workshop) and Inaugural Ceremony of India Chapter of Voice Foundation (U.S.A) on 7th November 2021 at Sri Sathya Sai Institute of ENT and Melody Voice Clinic, Guntur., A.P., India. Our 14th Phonosurgery course which was organized as first webinar based Phonosurgery workshop in India by us in the year 2020 was very well received and attended by about 800 delegates. With same encouragement and constant support from all our colleagues we could come forward to present our 2nd Webinar based Workshop on Phonosurgery with eminent National and International Faculty. The focus of this workshop is on Awake Vocal fold procedures and Professional voice. We also included demonstration of Vocal Fold Injection techniques on Cadavers (Animal).

In the prevailing Covid-19 background all physical events are converted to webinar form all over the world. We made sincere efforts in making this workshop to meet the requirements of a workshop in physical form. Kindly bear with us if there are any technical or communication problems. Hope you enjoy our academic feast with eminent national and international faculty and send your valuable feedback.

Best regards

Prof. V. Phaniendrakumar
